

DBMOD

Features

- Turn any existing doorbell into a video doorbell in conjunction with a security system
- Get notified in real-time when visitors press your doorbell
- Integrate seamlessly into your chime at home and Speco Recorders
- Simple and straightforward 4 wire installation
- No need to deal with high voltage wiring
- Ideal for homes with existing security system, eliminating the need to purchase a higher cost smart video doorbell
- Requires a Speco Technologies camera and recorder or an existing surveillance system

Speco Camera

Specifications
