

SGP-S300W-M-V2

- Solar Panel Mounting Bracket.
- Constructed from high-strength hot-dip galvanized steel.
- Compatible with dual 150W solar panels (total 300W).
- Includes 2 U-shaped clamps.
- Rust-resistant with protective spray coating.
- Wind resistance rated up to 30–40 meters per second.
- U bolt size M10*133mm*170mm
- pole size : Diameter min 89MM (3.5INCH) max 130MM (5.1inch)

MODEL (S) AVAILABLE

Product Information

SPEC SHEET	
Type	Solar Mounting
Material	High Quality SGCC
Specification	Normal
Color	White
Installation Site	Vertical Pole
Wind Resistance Capability	30M-40m/s
Fixed Method	Hug Hoop
Solar Panel Size	150W*2(300W) Horizontal Installation
Size	h; 875mm w;1616mm d:100
Weight	33 lbs
Working Temperature	-40° F to 176° F
