GALEOW - Wiegand Keypad

Product Description

The GALEOW is a stylish and innovative keypad, combining good looks with a high level of ruggedness and vandal resistance.

The GALEOW is ideally suited for both, external or internal use. Clever innovation has resulted in a keypad that can cope with the harshest of environments. With the soft blue back-lighting and a modern but uncompromising design, GALEOW is truly a keypad for all your coded entry solutions.

The GALEOW is supplied for connection to Atrium, Centaur or any popular 26-bit Wiegand system.
