

## Datasheet

### IP-MDSF - PoE Multi-Tenant Station (Flush Mount)

#### Product Description

CDVI's intercom system provides video entry solutions for residential and commercial properties alike. With both IP and a free smartphone app, take advantage of a flexible, affordable and reliable security system.

The IP-MDSF is an outdoor station that can manage up to 500 tenants. It features a 170° fisheye camera, touchscreen menu and an integral dual technology card reader. The IP system facilitates connection through PoE, making the intercom system seamless and easy to use.

#### Key Features

- Built-in multi-technology card reader (125 kHz and 13.56 MHz)
- PoE
- 5" touch screen
- Surface mount
- Micro SD card port for backup
- 170° fisheye camera
- Also available in surface mount: IP-MDS

 Certification

 DEEE

 Certification

 IP54

 14°F to 122°F  
(-10°C to 50°C)

## Product Specifications

<b>Material:</b>	Stainless steel panel
<b>Mounting:</b>	Surface
<b>Technology:</b>	IP
<b>Card reader:</b>	MIFARE® Classic 13.56 MHz & 125kHz proximity card reader
<b>Camera:</b>	Type 1/3.7" Ultra Sense, ISP with 77dB WDR 170° fish-eye lens
<b>Screen:</b>	800 x 480 pixels
<b>Unlocking time:</b>	1 to 99s
<b>Relays:</b>	2
<b>Cable type:</b>	Cat-5e or Cat-6
<b>Weight:</b>	2.2 lb, 1 kg

## Electrical Specifications

<b>Power input:</b>	PoE (IEEE 802.3af Class 0)
<b>Lock power supply:</b>	12 V DC, 250 mA (Internal power - fail safe only) (Dry contact - fail safe or fail secure)
