

# USBC2HDMI2

## SplitXtend HDMI Splitter for Extended Display

**DIMENSIONS & WEIGHT:**

**Length:** 100mm/3.94in **Width:** 50mm/1.97in  
**Height:** 13.5mm/0.53in **Weight:** 78g/2.75oz

The **USBC2HDMI2** is an adapter designed to extend or mirror screens from Windows PCs or Macs, supporting dual display connections with support for 4K@30Hz and 1080p@60Hz resolutions on the respective outputs. Daisy chain setups enable up to 8 extended/mirrored displays on Windows. Note: HDCP-protected content, like Netflix, isn't displayed by this adapter. For long-term use and proper maintenance, read the manual thoroughly. Compatible with Thunderbolt 3/4 and USB 3/4 standards. It is ideal for both personal and commercial setups.

**PACKAGE CONTENTS:** 1x USBC2HDMI2, User Manual

**KEY FEATURES:**

- Supports dual display with resolutions of 4K@30Hz and 1080p@60Hz
- Compliant with Thunderbolt 3/4 and USB 3/4 standards
- Allows Mirror, Extend, Clamshell, and Rotate modes via USB-C or USB-A connection
- Supports video decoding in various formats including H.264, H.263, MP4, MP2, DivX, AVS, JPEG, and more
- Provides USB Hub support and up to 8 extended displays on Windows through daisy chain connections

### SPECIFICATIONS

|------------------------|-------------------|
| HDMI Compliance        | : HDMI 1.4        |
| USB Compliance         | : USB-3/4         |
| Thunderbolt Compliance | : Thunderbolt-3/4 |

**SUPPORTED HDMI CABLES:**

|          |                                                                                             |
|----------|---------------------------------------------------------------------------------------------|
| HDMI 2.0 | : We recommend using high quality HDMI 2.0/2.1 cables under 30 feet for optimum performance |
|----------|---------------------------------------------------------------------------------------------|

**VIDEO OUTPUT:**

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Video Bandwidth   | : 5Gbps                                             |
| Video Resolutions | : Up to 4K@30Hz one output and 1080p@60Hz the other |

**ADDITIONAL FEATURES**

|                    |       |
|--------------------|-------|
| CEC Function       | : No  |
| ARC Function       | : No  |
| USB KVM Function   | : Yes |
| PoC/PoE Function   | : No  |
| IR Control         | : No  |
| Downmix Function   | : No  |
| Downscale Function | : No  |
| Over IP Function   | : No  |
| HDBaseT Function   | : No  |
| RS-232 Function    | : No  |

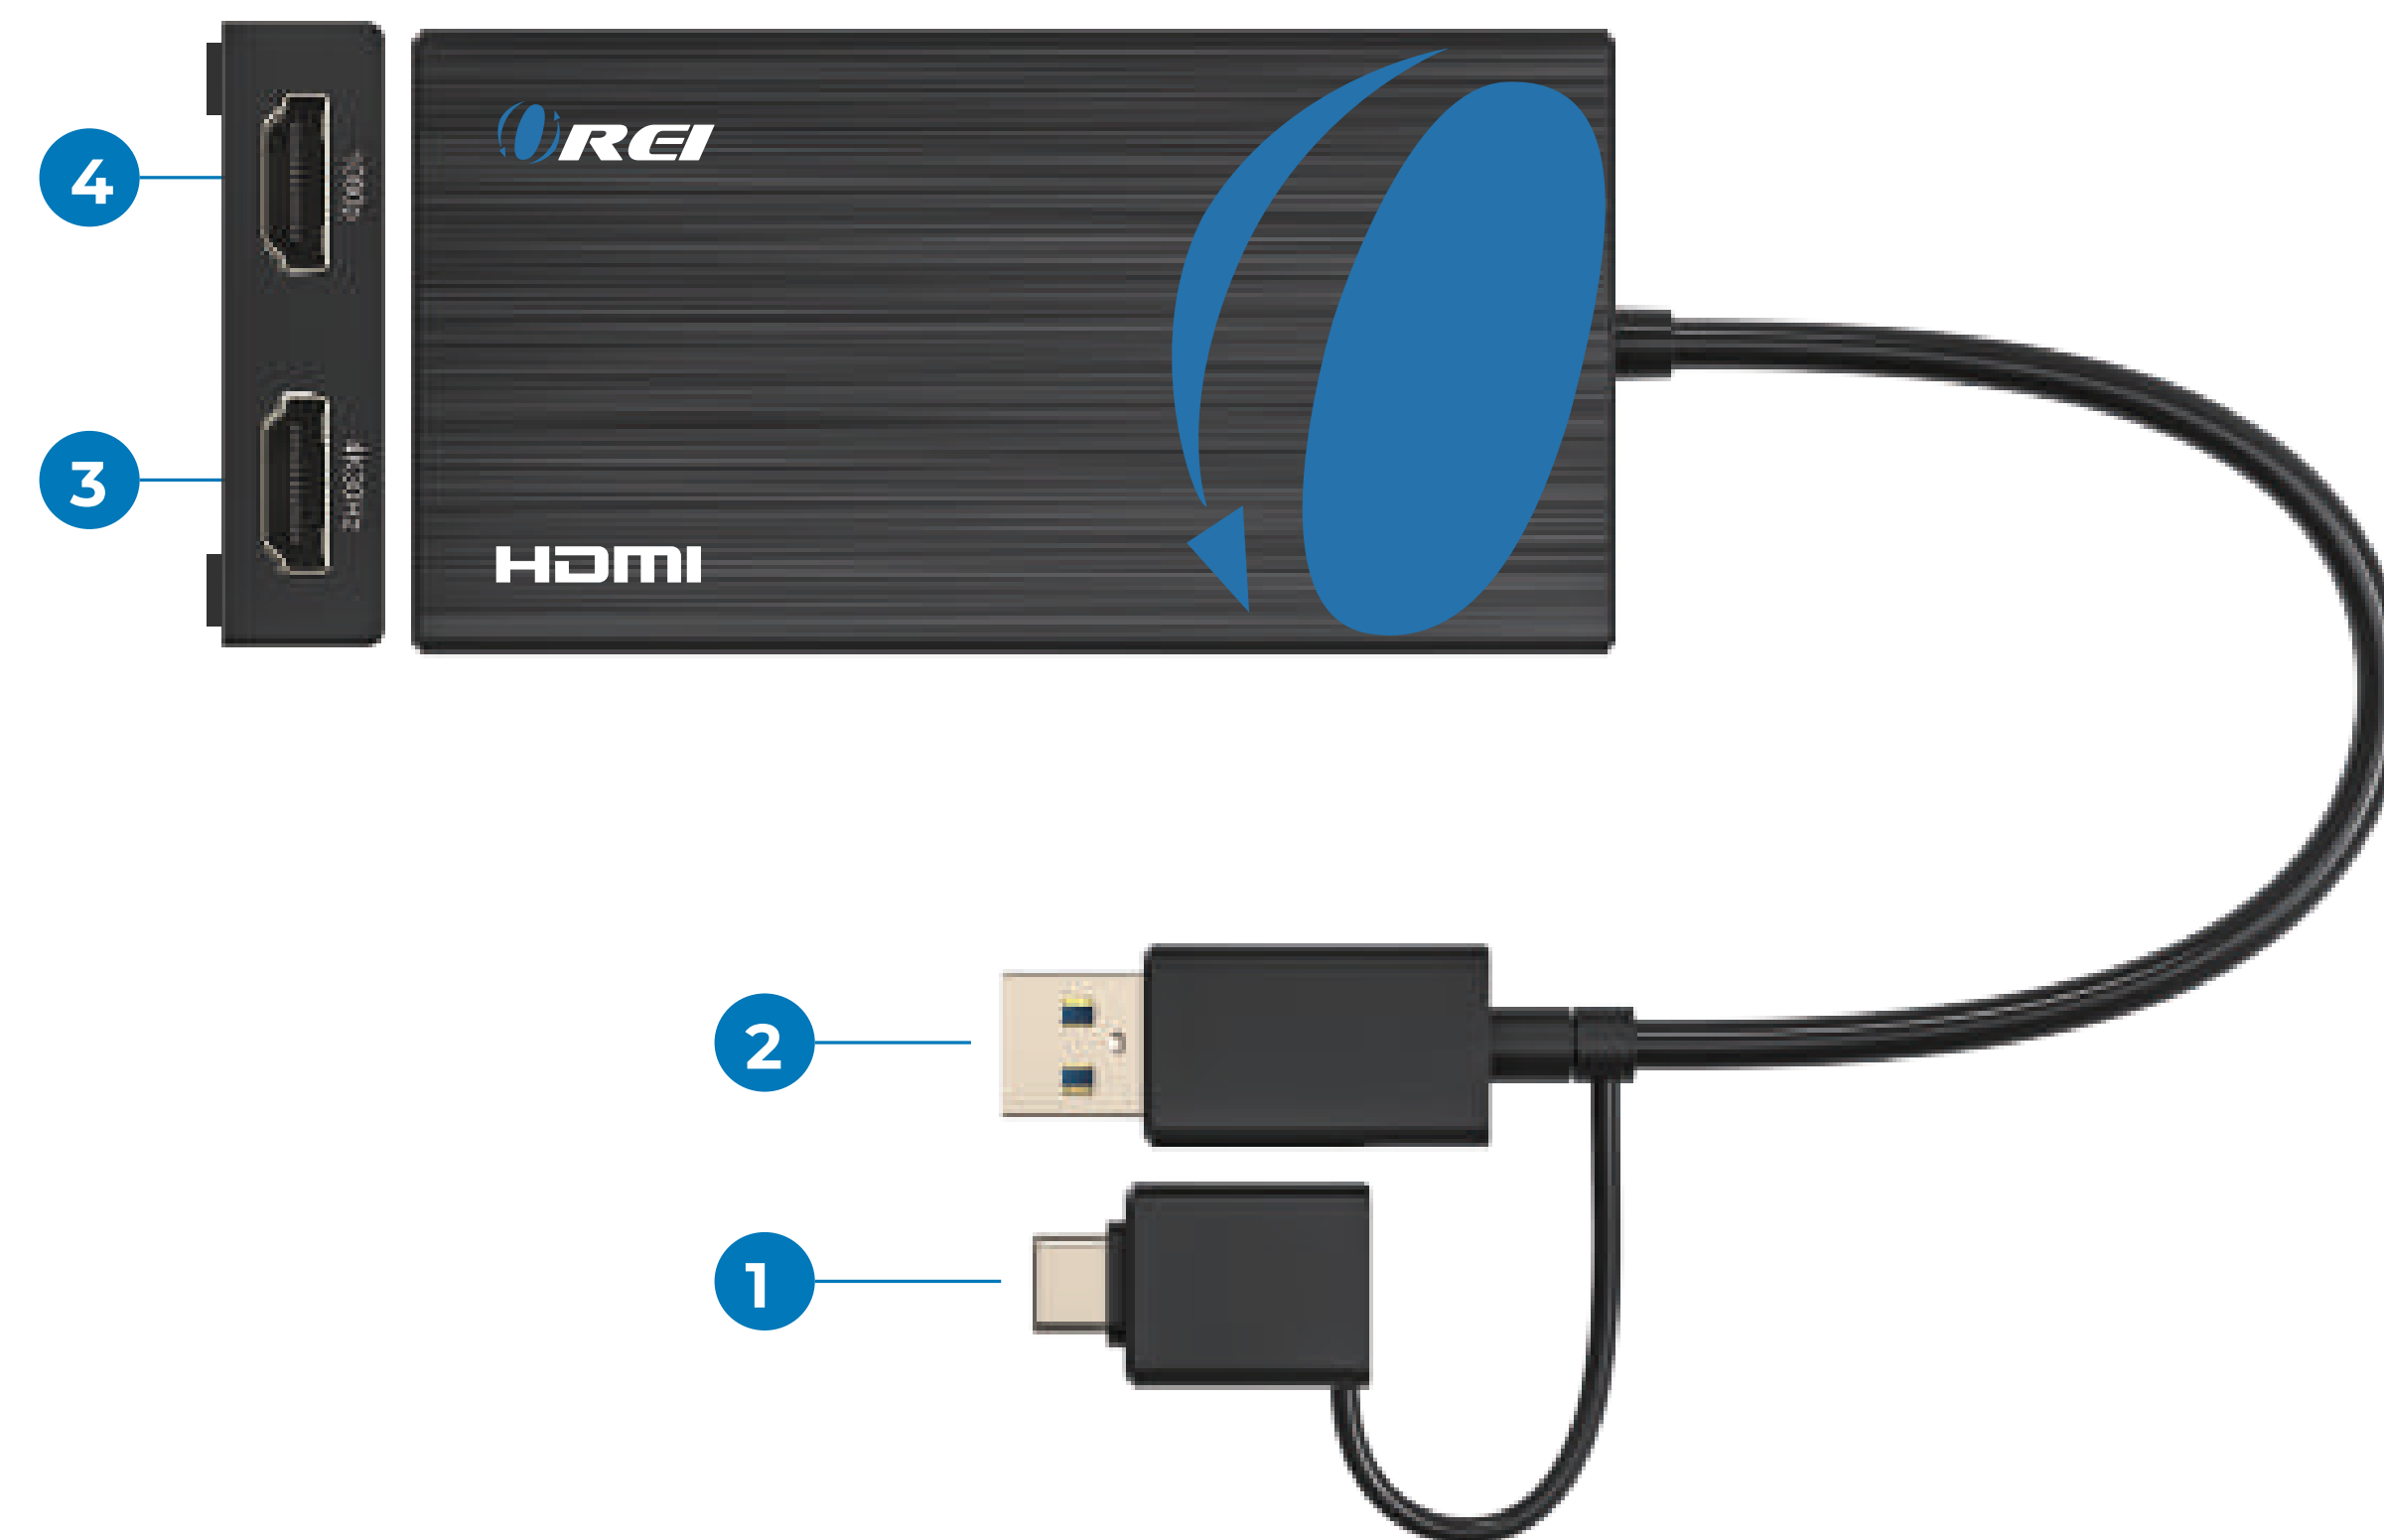

**POWER:**

|                   |                   |
|-------------------|-------------------|
| Power Consumption | : 5W (Max)        |
| Power Supply:     | Output : DC 5V/1A |
